First United Methodist Church offers you the option of giving online. Online giving provides a safe and convenient method for making a one-time or recurring contribution to the church. Of course, you still have the option of giving during any of our worship services, or mailing your offering to the church at 1700 West State Street, West Lafayette, IN 47906.

From this page you can access your PayPal account, if you have one, or use a credit card to make a donation to the First Church operating fund. Anyone wishing to give via a credit card should do so only if your account will be paid in full each month without incurring interest or service charges! **First Church strongly discourages anyone from entering into credit card debt to give.** Another option would be to an electronic check through your financial institution.

Donate

There is no need for a PayPal account if you wish to make a one-time donation or single payment using your credit card. You will need a PayPal account to make a recurring donation or to make a donation or payment directly from your bank account. If you do not already have a PayPal account and use the recurring donation option, then you will be prompted to set up a PayPal account during the process.
